By signing this agreement, I agree to the following Fees, Responsibilities and Drought Contingency:

- $600 nonrefundable fee for HYDRANT Meters only.
  (please contact our office for more information.)
- I am responsible for all payment of any damages caused including hydrant meters or any broken items while on site at the DSWSC Bulk Station.
- DSWSC is not liable or responsible for any accidents, injuries or damages I encurr while on site that arise from my use during my time at the DSWSC Bulk Station. I understand and take full personal responsibility by entering and do so at my own risk.
- Once your application is submitted to the DSWSC's office or placed within our drop-box, you will be contacted with your 4-digit PIN and ID number to operate the Bulk Station.
  To submit your application via email: **cscott@drippingspringswater.com**
- Your billing will be sent to the email address submitted on this application.
  NOTE: Call for current water rate, 512-858-7897.
- I understand and agree that the operation hours of the Bulk Station may change from time to time.
